DONATE. RECYCLE. EDUCATE.

Your donations will help raise funds to support our mission of educating, enriching, and empowering our PK-8 students by collaborating with our community to offer resources to the MERS school district. We achieve this by investing in impactful school programs and initiatives.

The Foundation for MERS is collecting gently used and wearable clothing, sneakers, shoes, and accessories (belts, handbags, hats, scarves, etc.), as well as hard and soft toys to support those in need.

✓ **All clothing must be bagged for easy collection.**
