Dear Guardian(s),

Welcome to the 2023-2024 school year! During 8th Grade, each student will be enrolled in five (5) Cycle classes. Cycle classes are approximately 36 days long & do not coincide with marking periods. Each is separated into five **quinesters**.

8th Grade Cycles: **Art, Careers, Computer Science, Music, & World Language.**

Each student will need a few supplies at the beginning of the year & will be required to be prepared for each cycle transition.

The items below can be reused for all cycles:

- 01. Pen & Pencil
- 02. Wired Headphones
- 03. Pocket Folder
- 04. Binder OR Notebook
- 05. Extra Loose Leaf Paper
- Optional:* Sharpies/Colored Pencils

Students will be held responsible for all interactions, assignments, & communications. Grades will be posted throughout each quinmester & will be finalized on the last day of each cycle.

Thank you for your cooperation & we look forward to an engaging school year!

Sincerely,

MEMS CYCLE TEACHERS
