

Dear Parents/Guardians,

September 2025

We are delighted that your child will be a part of the Delta Community, and we are confident that the coming year will be filled with experiences that foster both academic and social growth.

We encourage you to be aware of your child's progress throughout the school year by regularly accessing Genesis. We also strongly recommend checking your child's Google Classroom to access daily work and homework. Google Classroom should also be the first place to check in the case of an absence to avoid missing work.

Maintaining consistent communication with you regarding your child's progress, academic success, and ability to develop personal responsibility and a strong work ethic is important to us. You can reach any of us by email.

We look forward to meeting you in September! With your support and cooperation, we know we can help your child reach his or her potential and have a fantastic seventh grade experience.

Delta Community Teachers,
