Welcome to Lambda

Dear Parents/Guardians:

The Lambda Community would like to extend a warm welcome to you and your child! We are looking forward to a positive and productive year. This will be achieved through the cooperative efforts of the students, parents, and teachers. Please feel free to email us at any time.

Being prepared and organized for class is a vital component of a student's success; therefore, we have attached a list of materials our students will need for each subject. Please see the supplies list in this newsletter. Make sure your child is fully prepared each and every school day.

A list of community standards has also been included for you and your child to read and sign. Knowing what is expected helps students grow in responsibility and avoid situations that can hinder learning.

Thank you for your cooperation and support!

Community Standards

The school standards/rules can be found in the student handbook. Please take time to review the school standards before the beginning of the school year.

- Students will follow all MEMS rules set forth by the student handbook as reviewed and signed by parents and students.
- Students will respect the rights and beliefs of classmates, staff, and other students at MEMS.
- Students will respect the property of fellow classmates, teachers, and staff.
- Students will use appropriate language at all times during the school day. This includes while conversing with fellow students during passing time in the hallways.
- Students will come to class prepared and on time. All supplies and assignments will be present at the beginning of class.
- Students will turn in all assignments on time meeting the requirements set forth by the teacher.

Students that meet these standards on a daily basis throughout the school year may receive:

- Verbal Praise
- Positive correspondence with parents
- Individual Teacher Rewards
 - (Ex. homework passes, prizes, and bonus points)
- Community Rewards
 - (Community Activities and Community Days)

Student: I have reviewed the community standards and understand the community's expectations I will meet for a successful school year.
