

MEMS BOOSTER CLUB

Welcome to the 2023-2024 school year

The Booster Club provides a bridge for parents and teachers to align efforts maximizing each child's experience. Our fundraising efforts enable a wide variety of educational and social enhancements for MEMS families. We always strive to deliver the best events and activities for our children. With your help and support we will meet our goals.

We are excited to be planning our annual Fit-a-Thon, numerous pep rallies, penny wars, 7th grade fun day, 8th grade dance and so much more!
