

Hello Wemrock Brook Families! Thank you for another successful year of reading and learning about literature in the library!

Please return all library books by **Monday, June 2nd**. All students who still have materials checked out will receive a notice detailing those materials at their next library lesson. If you are unable to return a book, you may replace it with another copy of the same title **OR** pay the fine in cash or a check made out to MERS. If you have any questions, please send me an email: Lgarnett@mersnj.us.

While the library may be closing down for the summer, there are many other ways your child can continue reading! The Wemrock Brook ebook library can be accessed all year long by visiting my website: <https://sites.google.com/mersnj.us/wemrockbrooklibrary?usp=sharing>

Don't forget that the public library is open all summer! Here is a link to their website: <https://www.monmouthcountylib.org/> Besides a huge assortment of great books, they also have ebooks and a fantastic summer reading program. If you need help deciding what to read, summer reading lists will be posted on the district website.

The library is currently accepting donations of specific books in popular series. Follow this link for information:

Thanks again for your continued support this year and I hope everyone has a relaxing summer filled with some great books!

Sincerely,
Lisa Garnett
