April 4, 2025

To Our Pine Brook Community,

Dear Parents/Guardians:

“Take Your Child to Work Day” is Thursday, April 24, 2025. This annual event is an educational program in the United States and Canada where parents/guardians take their children to work with them for one day. The day is designed to help children explore the workforce. It inspires children to see the different roles required to run a business or to build a project.

The New Jersey Department of Education encourages school districts to participate in *Take Your Child to Work Day* by giving students credit for attendance and affording students the opportunity to discuss what they have learned once they return to school. If you take your child with you to work for the day, please send a letter on business letterhead to school or return the included form below with your child when he/she returns to school on Friday, April 25.

Thank you for your cooperation!

Sincerely,

Julie Szustowicz
