September 2024

Dear Parents/Guardians:

You are cordially invited to attend the Pine Brook School 6<sup>th</sup> Grade Center's Back-to-School Night program on Thursday, September 12, 2024. This is an extremely informative event during which you will meet your child's teachers, hear about the curriculum and expectations, and learn various ways you can support your child in his/her learning. Due to our large student population of about 500 sixth graders, we have scheduled Back-to-School Night in a staggered format. Parking and your comfort within the school are the major factors for this decision. We ask that you please refrain from bringing children of any age to Back-to-School Night.

The times of our Back-to-School programs are as follows:

**Teams 1, 3 & 5 – 6:00 p.m. to 7:00 p.m.**

**Teams 2 & 4 – 7:15 p.m. to 8:15 p.m.**

**Cycle/PE/HE/Support teachers are available between 6:45-7:45 p.m.**

Your child will be preparing a schedule for you to bring with you on September 12th. Please remember that the purpose of the evening is for you to meet your child's teachers and to become familiar with the program. We ask that you please keep your cell phones on silent and refrain from utilizing them during the presentations as we have much important information to share with you. The teachers have been advised not to discuss individual students at this time. If you need to discuss your child's individual needs, please set up a separate meeting or conference on another date/time with your child's teacher.

Parking toward the rear of the building is reserved for school staff only, so please be respectful of the cones used to designate this area. Please be courteous to our neighbors and do not block their driveways or corners if you park on the streets around our school.

We look forward to meeting you at our Back-to-School Night.

Sincerely,  
**Julie Szustowicz**  
Julie Szustowicz
